# HB 140 PRAYER GUIDE

*Urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people — for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. - 2 Tim. 2:1-2*

**On May 20<sup>th</sup>, 2025, Governor Meyer is set to sign into law HB 140, legalizing Assisted Suicide. Despite many years of opposition and the voices of faith leaders, medical professionals, and the disability community, the governor has made clear he will not veto the bill. Pray that this law disrespecting the sanctity of life ignites a movement of pro-life warriors committed to compassion and education.**

## **1. For the Governor**

Lord, your Word declares that every human being is made in the image and likeness of God and has inherent dignity and value. As this law would degrade and endanger life, we ask that you would soften his heart and awaken him to the gravity of this decision (Proverbs 21:1). May the weight of this law stir his conscience. Much like Pilate's wife, may he be unsettled by this decision.

## **2. For the Vulnerable**

Father, you are with us in our suffering and pain. We pray that you would protect those who are weak, sick, or discouraged. Surround them with care, compassion, and hope, and silence the lies that say their lives are not worth living. May they feel your love through the work of your Spirit to comfort them in their brokenness.

## **3. For the Church**

Father, strengthen Your Church to be a bold voice for life - a voice that seeks to dispel the lies of our culture that tells the vulnerable they're not worth living. Empower us to bring comfort to the hurting just as you do. Equip us to stand firmly against the culture of death with love and truth.

## **4. For Medical Personnel**

Lord of Truth, we pray you would raise up nurses, doctors, palliative care workers and aides whose hearts are for the vulnerable to see their value. May they be equipped to fight for their patients and given the grace to love and care for them. Protect them from retaliation and embolden them each day.

## **5. For Cultural Awakening**

God of mercy, open the eyes of our state and nation. Turn hearts back to You, the Author of Life, and bring revival grounded in Your Word and truth. Let this decision be a catalyst for our state. Remove the scales from the eyes of Delawareans.
