DIGNITY OF LIFE PRAYER GUIDE

Urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people — for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. - 2 Tim. 2:1-2

On May 20th, 2025, Governor Meyer signed into law HB 140, legalizing Assisted Suicide. Despite many years of opposition and the voices of faith leaders, medical professionals, and the disability community, it was enacted on January 1st, 2026. Pray that this law disrespecting the sanctity of life ignites a movement of pro-life warriors committed to compassion and education.

1. Praise for the Dignity of Life

Lord, your Word declares that every human being is made in the image and likeness of God and has inherent dignity and value [Gen. 1:27, 9:6, James 3:9-10]. We praise you for giving our life meaning and purpose, for bringing comfort in our pain, and for redeeming our suffering. Thank you for Your promise to Your adopted children of an eternal life with no pain, sorrow, or tears [Rev. 21:4].

2. For the Vulnerable

Father, you are with us in our suffering and pain. We pray that you would protect those who are weak, sick, or discouraged. Surround them with care, compassion, and hope, and silence the lies that say their lives are not worth living. May they feel your love through the work of your Spirit to comfort them in their brokenness. Please, put people in their lives who will show them their worth in the midst of deep pain.

3. For the Church

Father, strengthen Your Church to be a bold voice for life - a voice that seeks to dispel the lies of our culture that tells the vulnerable they're not worth living. Empower us to bring comfort to the hurting just as you do. Equip us to stand firmly against the culture of death with love and truth.

4. For Medical Personnel

Lord of Truth, we pray you would raise up nurses, doctors, palliative care workers and aides whose hearts are for the vulnerable and who see their value. May they be equipped to fight for their patients and given the grace to love and care for them. Protect them from retaliation and embolden them each day. Give them wisdom to know how to minister to their patients in their suffering.

5. For Cultural Awakening

God of mercy, open the eyes of our state and nation. Turn hearts back to You, the Author of Life, and bring revival grounded in Your Word. Open the eyes of our elected leaders so they recognize their calling to protect Your image-bearers. Revive a culture of life in every heart in our state.
