

Sanctity of Life Sunday

The Bible has much to say about the personhood of every human being. Genesis 1 teaches that everyone is made in the image and likeness of God. This means that every person, at every stage of development, has unique value and dignity. In Psalm 139:13-16, David describes how God was forming and knitting him together as a preborn baby, and his formation was spoken of as “wonderful”. Psalm 51:5-6 recognizes David as a moral being in the womb, whose relationship to the moral law of God had already begun. Luke 1:39-45 recognizes both the personhood of John the Baptist who was likely at 6 months gestation, as well as Jesus in his very early stages of development. Jesus is honored as Lord in the womb!

This is why we must pray for and rebuild a culture that values the sanctity of all human life in our state.

***"Open your mouth for the speechless, in the cause of all who are appointed to die. Open your mouth, judge righteously, and plead the cause of the poor and needy."
Proverbs 31:8-9***
